

Patients – Family – Friends – Carers

Meet others • Share experiences • Learn about myeloma • Access information

Myeloma Support Group

You will find a warm welcome at our Myeloma support group whether you are a patient (recently diagnosed or living with Myeloma for some time), or a family member, carer or friend.

We are a relatively new group, and our initial aims are to enjoy getting to know and support one another, as well as to find out more about living well with Myeloma. Speakers are invited from time to time, to talk on topics of interest to everyone, and we have some social events.

We meet on the 2nd Tuesday of the month at the Support Centre

Confidentiality is one of our agreed group guidelines.

Another guideline is that if you have an 'active' infection such as 'flu, or a chesty cough that may be passed on to others, please postpone coming to a meeting until you are better, as many of us have very low immune systems.

Next Meeting:
Tuesday April 14th at 7.30 pm
at The Support Centre (details below)

Contacts:

Maria Tel: 061 485163 Email: maria.keane@hse.ie

**Nicky Tel: 089 4830576 Email:
limerickmyelomagroupcontact@gmail.com**

For directions to the Support Centre: Tel: 061 485163 (09.00 am to 17.00 pm) or see www.midwestcancercentre.ie

The Centre is located on the right as you enter the Oncology and Haematology Day Ward car park at the University Hospital Limerick
