

myeloma 2016 INFODAYS

Northern Ireland Co Antrim

Patient and Family Infoday

Hilton Templepatrick Hotel

10.00am - 4.00pm, Saturday 7 May 2016

Chair: Dr Michael Quinn, Consultant Haematologist
Belfast City Hospital

Patient and Family Myeloma Infodays bring people affected by myeloma together to share experiences, hear from myeloma experts and to learn more about the support Myeloma UK provides.

- **Learn** about current myeloma treatments and latest research
- **Hear** from patients and carers about their experiences
- **Participate** in interactive breakout sessions
- **Meet** others in a similar situation

For more info call **+44 (0)131 557 3332** or visit **www.myeloma.org.uk/infodays**
